For "B" shows multiply single points by 2.

"A"- "AA"- "AAA" shows are **ALL** counted equally.

Be sure to check each shows prize list to verify that they are CFHJA sanctioned. **Not** every show in Florida **IS** sanctioned by CFHJA!!!

Model classes are ½ value points.

Champion and Reserve points DO NOT count in any EQUITATION division.

Classics, warm-up, medals, and other non regular classes that do not contribute to the champion or reserve totals, within a division, are not tabulated.

Pleasure classes and CFHJA horse / pony equitation classes are **single** point value, regardless of show rating.

There must be 3 entries in the class for that class to be counted...(exception Walk-Trot)

JUMPER division points are tabulated by CFHJA on this same point value system.

Please be aware that CFHJA points are tabulated independently of the USEF.

This means if your name or your horse's name changes during the year, or if you are leasing a non members horse you must notify us of that horses name and that YOU are the leasee, otherwise we will not count those points. We assume you are "catch" riding that animal.

CFHJA has NO way of knowing this unless we are notified DIRECTLY by you. Check website for monthly or more frequent updates...If you see an error in names or point totals, please notify CFHJA in a timely fashion.

Our points committee is not an USEF liaison; nor is the CFHJA points increments the SAME! Any problems with your point standings not related to CFHJA points must be addressed, by you, directly to the USEF

Thank you,

Chris Reilly (points committee chairman)
